

SELLING CANDY

Afternoon, sir.
My name is Brandon,
and I'm selling delicious
Genco Candy Bars.

Would you
be interested in
purchasing a box?

Hmmm...
I don't know.

Selling candy
door to door: isn't that
what little girls do?

Yeah, I guess.

But a job's a job,
right? Gotta do what I
can to earn some cash.

I suppose you're right.

The thing is though, I'd much more likely buy candy from a girl.

Can you do that for me, sweetheart?

Do what?

Oh nothing, honeybun.

Now you were telling me about your candy.

Yes!
We have a great variety to choose from; from assorted chocolates to both soft and hard candies...

To tell the truth, sweetcheeks,
I'm not really interested in candy.

But that's a great name
for a girl isn't it, Candy?

Well, yeah!
That's my name actually!

What a coincidence.
SNICKER

Well, you talk awfully smart for a girl named Candy. Candy's usually aren't very smart, are they?

GIGGLE
Like, nope.
I guess not, teehee!

So, like,
want some...

Candy?
GIGGLE
